### Reiki Master/Teacher - Intuitive

---

#### What is an Intuitive Reiki Session?

I combine Reiki energy and intuitive messages to help move energy blocks and release emotional attachments. The experience helps clients focus on areas they need to heal and grow. I offer 60 & 90 minute Intuitive Reiki sessions in person or Facetime/Skype sessions. I create a relaxing and fun environment for my sessions and classes. My goal is to introduce people to the world of Reiki, Intuition and Energy and learn how to integrate the benefits into their life.
